That great line from Shakespeare's "Midsummer Night's Dream", "The World is My Oyster" tells the whole story about my radio show. Anything that has to do with LIFESTYLES and more importantly GOOD LIFESTYLES is open for discussion and dialog.

For 12 years, Ed McMahon hosted the popular syndicated show, ED McMAHON'S STAR SEARCH, his 30 year stint as announcer on THE TONIGHT SHOW STARRING JOHNNY CARSON, plus numerous performances as host on specials and telethons, and his activities in TV and radio commercials make McMahon more familiar to most Americans than their own next-door-neighbor.

As one of America's most recognizable personalities, he is sought after as a host in his own right. Over 100,000 performers auditioned for Star Search, and it has been the launching pad for the careers of many successful show business personalities including Lara Flynn Boyle; Sinbad; Dennis Miller; Rosie O'Donnell; Jenny Jones; Shanice; Sawyer Brown; Martin Lawrence; Drew Carey and a myriad of others.
